Subarea Plan for the Southcenter Area

Open House

July 17, 2012

COMMENT SHEET

Please provide us with any comments, suggestions or questions you may have on the proposed Comprehensive Plan revisions, Southcenter Subarea Plan, revised Chapter 18.28 Tukwila Urban Center, and Southcenter Design Manual.

The attendance in the 1st 1/2 hr is VERY POOR. Jack, Lynn + Nora were very helpful with my questions. The Expanded views of the draft regs were easy to read + allowed one to look on as someone else's question was being answered. This is a great way to make information available.

Suggestion for improvement:
Schedule in the evening or weekend for better availability + attendance.
