NOTICE OF ENVIRONMENTAL IMPACT STATEMENT ADDENDUM ISSUANCE AND AVAILABILITY

On March 27, 2013, the city of Tukwila issued an addendum to the Tukwila Comprehensive Plan EIS, pursuant to the State Environmental Policy Act rules (Chapter 197-11 WAC) (File # E13-004). The EIS was previously issued on October 9, 1995 (File #L92-0053).

The addendum addresses the review and update of the Comprehensive Plan that is required by the Washington Growth Management Act. It includes policy changes to the Capital Facilities, Utilities, Natural Environment, and Transportation Elements necessitated by changes to the Growth Management Act, and incorporates information from current regional plans and Tukwila's Strategic Plan. Narrative for the Shoreline Element is updated to be consistent with policy changes that were completed in 2011; no additional policy changes are proposed for the Shoreline Element. The Comprehensive Plan is also edited for clarity, and reformatted for on-line use. This is a non-project (programmatic) EIS addendum.

Copies of the addendum, and original FEIS are available for review at:
