NOTICE OF ENVIRONMENTAL IMPACT STATEMENT ADDENDUM ISSUANCE AND AVAILABILITY

On August 11, 2014, the City of Tukwila issued an addendum to the Tukwila Comprehensive Plan EIS, pursuant to the State Environmental Policy Act rules (Chapter 197-11 WAC) (File # E14-0012). The EIS was previously issued on October 9, 1995 (File #L92-0053).

The addendum addresses the review and update of the Comprehensive Plan that is required by the Washington Growth Management Act per RCW36.70a.130. It includes amendments to the Community Image and Identity, Economic Development, Tukwila South and Roles and Responsibilities elements, and recommends a new Parks, Recreation and Open Space element. The revisions reflect changes in the Growth Management Act, and incorporate information from current regional plans and Tukwila's Strategic Plan. The Comprehensive Plan is also edited for clarity. This is a non-project (programmatic) EIS addendum.

Copies of the addendum, and original FEIS are available for review at:
