SUBJECT: Draft Walk & Roll Plan

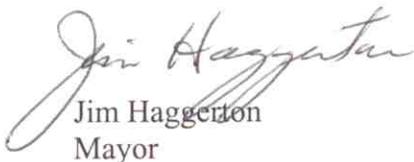

Dear Tukwila residents and interested parties:

I am pleased to present you with the City of Tukwila's Draft Walk & Roll Plan – a report that suggests how bike lanes, trails and sidewalks should be constructed and where they should go. The Draft Walk & Roll Plan contains ideas on how to make it safer and easier to walk or bike, whether young or old, walker or wheelchair user, bus rider or shopkeeper. In this period of high gas prices, making walking and biking safer and more convenient can not only save you money, but can encourage improved health for both you and the planet!

This Draft Walk & Roll Plan is for public review – it's your chance to see if we've included the right design standards and project locations for new bicycle and pedestrian facilities in Tukwila. Please take the time to look over the Draft Walk & Roll Plan, and provide comments. Send any comments and/or questions to Jaimie Reavis, Assistant Planner, at (206) 431-3659 or [jreavis@ci.tukwila.wa.us](mailto:jreavis@ci.tukwila.wa.us). You can also send in comments by filling out a form available on the City of Tukwila website at the following web address: <http://www.ci.tukwila.wa.us/dcd/walkandroll.html>.

Thank you for your participation.....I'll see you on the trail.

Sincerely,

  
Jim Haggerton  
Mayor
