

## **INFORMATIONAL MEMORANDUM**

**TO: Mayor Haggerton  
City Council**

**FROM: Bob Giberson, Public Works Director**

**DATE: December 11, 2015**

**SUBJECT: Facilities Study – Draft Report  
Steering Committee Recommendation**

### **ISSUE**

Discussion of Steering Committee Recommendation

### **BACKGROUND**

Over the last several years, staff and the consultant team have worked with the Steering Committee and Council to draft this Facilities Study and provide Steering Committee Recommendations. We have reached consensus on needs, conditions, and alternatives. We have nearly completed Phase 4 and will be working to communicate the Steering Committee recommendations for funding and phasing.

### **DISCUSSION**

This presentation will briefly run through a refresher on the four phases of the study and focus on the Steering Committee recommendations for alternatives, funding and phasing.

### **RECOMMENDATION**

Staff is asking for Council consensus to proceed with community outreach regarding the Steering Committee recommendation and report back to Council in March 2016.
