

## Capital Improvement Projects 2015

Division:	<b>Residential Streets</b>
Project Name:	<b>42nd Ave S/Allentown Roadside Barriers</b>
Location:	<b>42nd Ave S and S 115th St</b>
Description:	<b>Installation of guardrail or a barrier between the Duwamish River and the adjacent streets of 42nd Ave S and S 115th St in Allentown. Several sections are recommended for guardrail/barrier installation and funding for design in 2014 was approved in the current CIP.</b>
Funding:	<b>City Revenue, 103 Residential Street Fund</b>
Project Status:	<b>Design NTP issued 6/10/14. Residents requesting a timber guardrail and staff is currently obtaining cost difference. Only \$70k budgeted in 2015, so entire length will require additional budget over multiple years.</b>
Estimated Timeline:	<b>Design in 2014 with construction of critical areas to follow in 2015.</b>
Project Number:	<b>91310301</b>
Project Manager:	<b>Dave Sorensen</b>
Last Updated:	<b>6/8/2015</b>
