

Capital Improvement Projects 2015

Division:	Surface Water
Project Name:	Chinook Wind
Location:	Off of Tukwila International Blvd at S 112th St
Description:	Purchase and restore site as a salmon estuary and passive park.
Funding:	Grant funding applied for through the King County Conservation Futures in 2014.
Project Status:	King County is the lead on the acquisition phase of this project. They have a purchase and sale agreement with the property owner and are in the process of securing funding. Once the property is obtained, they will work on relocating the residents and demolishing the building. At this point it will be turned over to Tukwila for Design and Construction.
Estimated Timeline:	Acquisition, relocation, and building demolition phase 2015-2016
Project Number:	91441202
Project Manager:	Ryan Larson
Last Updated:	6/8/2015
