CITY OF TUKWILA

STRATEGIC PLAN

the community of choice*

Adopted December 10, 2012

City of Tukwila Strategic Plan

The City's Strategic Plan continues to guide the City of Tukwila actions and investments. We are committed to supporting individuals, families, businesses, and whole communities as they create and pursue their dreams and aspirations.

THE PLANNING PROCESS

Tukwila's strategic planning process was designed to create a Plan that is compelling enough to unite the community and practical enough to be realized. Over the course of the eight month process hundreds of conversations about the community and its future occurred. The City took a broad and targeted approach to community engagement including meetings with partners and community groups, interpreted discussions out in the community, traditional online tools and public meetings.

PLAN STRUCTURE

The Plan's Community Vision and five Goals describe the desired future of Tukwila. Meeting this Vision and these Goals will require the contributions from all the City's partners, including residents, businesses, and local and regional community-based organizations.

COMMUNITY VISION

*The city of opportunity,
the community of choice.*

CITY MISSION

*To provide superior services that
support a safe, inviting and healthy
