

**Outdoor Plaza and Indoor Commons Survey
November 17, 2011**

For many years, the City has held a vision for the six acres of property it owns at South 144th Street and Tukwila International Boulevard for a development that will be a welcoming place where all residents can gather and connect with each other. This mixed use development will draw upon Tukwila’s strengths and include a library, a neighborhood police resource center, retail, restaurants, public meeting space, and an outdoor plaza. The Village may also include office, live/work, and residential space. Earlier this year the City Council selected a developer and the City is negotiating the property sale to the developer and King County Library System. The developer is working on site design and we are now at a point where we need to focus our goals for the indoor public meeting room (which we are calling the community commons) and the outdoor plaza so we can start designing the basic size, shape, and location of those spaces.

The City and developer hosted a public meeting on November 17th at Cascade View Elementary School to ask for your ideas on what people or groups might use these spaces and how they will they use them. If you were unable to attend, please answer the following questions and send your feedback to: City of Tukwila Mayor’s Office, 6200 Southcenter Blvd, Tukwila, WA 98188 or Derek.Speck@TukwilaWA.gov.

You can find out more information on Tukwila Village at www.tukwilawa.gov/tukwilavillage.html
